
Faculty Vitae

1. Name

Nashwan Dheyaa Zaki.

2. Education

Bachelor of Information System 2002 from University of Technology

Master of Data Security 2005 from University of Technology

3. Academic experience

Research Interests:

Adaptive Digital Signal Processing.

Artificial intelligence

Neural Network.

4. Non-Academic experience

e-mail

ORCID ID

Google scholar ID

ResearchGate ID

nashwanalani@uoitc.edu.iq

<https://orcid.org/0000-0001-7245-2637>

<https://scholar.google.com/citations?authuser=1&user=pCwtVsoAAAAJ>

https://www.researchgate.net/profile/Nashwan_Zaki

5. Certifications or professional registrations

linux

6. Membership in professional organizations

2018-Now

College of Engineering / UOITC (Employee).

2003-2015

I.C.C.I.

2007

Infas middle East Company.

2016-2018

Business Information System College.

9. Publications/Presentations

2012

An interactive human interface arm robot with the development of food aid

2013

Controlling Robot (4 Directions) by using Eye Movement Detection

Prepared by : Nashwan D. Zaki

2014

Image Inpainting using Least Square Interpolation and Wavelet Transform

Thesis:

2003

MSc, "Using Decorative Lettering In Security Printing Work" Supervisor: Abdulmonem Abo Tabikh / University of Technology/ Iraq

10. Most recent professional development activities

Advanced Mathematics for Computer Science (MSC Course)

Digital signal processing (DSP).

Computer Architecture.

Neural network

Advance Artificial intelligence.

Mathematics I and II.
